Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of

Online Library American Government Chapter 13

Institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

How should we govern? and What should government do? Professors

Online Library American Government Chapter 13

Edwards, Wattenberg, and Lineberry evaluate how well the American system lives up to citizens' expectations of democratic government and discuss alternative views concerning the proper scope of American government. In doing so they help students answer the critical question, "What difference does politics make?"

This convenient Portable Version of O' Connor/Sabato's American Government: Continuity and Change features all the content of the original comprehensive text split into four lightweight, paperbacks—Foundations, Institutions, Political Behavior, and Public Policy—plus new practice tests for students found at the back of each volume. Guided by the belief that

Online Library American Government Chapter 13

Students must first understand how American government developed over more than two centuries to fully understand the issues facing the United States today, O'Connor/Sabato offers the strongest coverage of both history and current events of any college textbook devoted to American politics. This best-selling book provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. American Government: Continuity and Change, has been extensively revised to provide the most in-depth and current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and increasing controversies related to

Online Library American Government Chapter 13

The conduct of the war on terrorism, including renewed calls for additional congressional oversight of the Executive Branch. The new edition also emphasizes the extent to which shared American values shape and affect policy and influence key political conflicts.

Known for the extremely student-friendly, jargon-free style of the two books from which it was made, the new American and Texas Government: Policy and Politics introduces the essentials of American and Texas government in a way that any student can understand. Neal Tannahill 's American Government and Texas Government are offered together in one comprehensive and accessible text. This new version features the same public policy

Online Library American Government Chapter 13

emphasis that shows students the impact that government has on their lives, and offers the wealth of useful study aids and exercises to engage students in the course material and encourage them to become active participants in their government. This new edition is published as a Longman Study Edition and therefore contains a battery of chapter tests for student study and practice. It also offers the latest coverage of issues in both American and Texas government, including the results of the 2008 elections, immigration reform, and the challenge posed by nuclear programs in Iran and North Korea.

This convenient Portable Version of Edwards/Wattenberg/Lineberry, Government in America: People, Politics,

Online Library American Government Chapter 13

and Policy features all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant “ politics matters ” theme and emphasizing public policy throughout, *Government in America* illustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, and helping overcome the biggest challenge instructors face in this course -- student apathy toward government.

The Public Health Foundation (PHF) in partnership with the Centers for Disease Control and Prevention (CDC)
