Creating beautiful, healthy bonsai is a wonderful skill that anyone can learn, with a little time, patience, and this all-inclusive manual. With color photos and drawings to illustrate the points, it introduces all the cultivation techniques; offers expert advice on location, soil types, watering, and pest control; and provides intricate instruction on training the bonsai--including pruning, wiring and stretching it. An A-to-Z guide of all the popular species showcases varieties that range from a flowering Camellia Japonica, with its beautiful smooth stem, to an easy-to-care for Olive tree. Each entry gives some background on the plant, and includes suggestions for acquiring the bonsai and directions on how to position it in the room for best results.

Would you like to grow a beautiful bonsai in your house but are unsure of where to start? Or perhaps you are yearning to master this ancient art, but feel hesitant about getting started? In that case, get ready to start your bonsai journey. In this basic guide, you are going to get all the pertinent information necessary to help you understand the world of bonsai. You will: Understand why bonsai is popular and delve into its rich history. Be able to recognize the different styles of bonsai, allowing you to pick the one that fits your preference. Find out what you can do to pick up a bonsai plant or alternatively, understand what you should do with seeds. Recognize pests and get rid of them in the best way possible! And so much more. It does not matter if you are new to the world of bonsai or just new to gardening in general. You don't need to have prior experience in raising plants, though if you do, then it will come in handy. This book will guide you through many of the beginner steps required to turn you into a bonsai enthusiast.
