America’s best-selling and best-loved guide to baby gear is back with an updated and revised edition! Yes, a baby book that actually answers the big question about having a baby: How am I going to afford all this? With the average cost of a baby topping \$7400 for just the first year alone, new parents need creative solutions and innovative ideas to navigate the consumer maze that confronts all parents-to-be. Baby Bargains is the answer! Inside, you’ll discover:
* BEST BET PICKS for cribs, car seats, strollers, high chairs, diapers and more!
* CHEAT SHEETS for your baby registry—create a baby registry in minutes with our good, better, best ideas.
* SEVEN THINGS no one tells you about baby gear, from nursery furniture to feeding baby.
* THE TRUTH ABOUT STROLLERS—and which brands work best in the real world.
* Dozens of SAFETY TIPS to keep baby safe and affordably baby proof your home.
* DETAILED CHARTS that compare brands of cribs, high chairs, car seats and more.
This new 14th edition adds the latest tips and advice on getting bargains on baby gear, including: Streamlined recommendations by parenting lifestyle, from a crib for space-challenged urban parents to an affordable car seat for Grandma’s car.
New recommendations for baby feeding, from baby food processors to storage ideas for homemade baby food.
BUDGET-FRIENDLY picks for dozens of items, from high chairs to infant car seats.
Expanded coverage of new baby gear items, like extra-large playpens, sleep soothers and more

Winner of a Lowell Thomas Award from the Society of American Travel Writers Foundation, the Gold Prize from the North American Travel Journalists Association, and a Silver in the National Parenting Publications Awards competition for parenting Resources. Travels with Baby, by celebrated family travel author and blogger Shelly Rivoli, helps parents plan every trip they’ll take with their child from birth through 4 years. In addition to the major modes of transport covered in great detail—air travel (50 pgs.), travels by automobile (40 pgs.), cruise vacations (31 pgs.), rail travel (53 pgs. Including USA, Canada & Europe)—this “Ultimate Guide” also includes advice for traveling with children of different temperaments, health and safety considerations, suggestions for where to travel when during a child’s first years, packing lists and travel-friendly baby gear recommendations, and more. As the Society for American Travel Writers Foundation declared, this guide is “...a must have even for families who only travel occasionally.”

Developed by WHO and the International Committee of the Red Cross in collaboration with the International Federation for Emergency Medicine Basic Emergency Care (BEC): Approach to the acutely ill and injured is an open-access training course for frontline healthcare providers who manage acute illness and injury with limited resources. BEC teaches a systematic approach to the initial assessment and management of time-sensitive conditions where early intervention saves lives. It includes modules on: the ABCDE and SAMPLE history approach trauma difficulty in breathing shock and altered mental status. The practical skills section covers the essential time-sensitive interventions for these key acute presentations. The BEC package includes a Participant Workbook and electronic slide decks for each module. BEC integrates the guidance from WHO Emergency Triage Assessment and Treatment (ETAT) for children WHO Pocket Book of Hospital Care for Children WHO Integrated Management of Pregnancy and Childbirth and the Integrated Management of Adult/Adolescent Illness (IMAI).

Some things about babies, happily, will never change. They still arrive warm, cuddly, soft, and smelling impossibly sweet. But how moms and dads care for their brand-new bundles of baby joy has changed—and now, so has the new-baby bible. Announcing the completely revised third edition of What to Expect the First Year. With over 10.5 million copies in print, First Year is the world’s best-selling, best-loved guide to the instructions that babies don’t come with, but should. And now, it’s better than ever. Every parent’s must-have/go-to is completely updated. Keeping the trademark month-by-month format that allows parents to take the potentially overwhelming first year one step at a time, First Year is easier-to-read, faster-to-flip-through, and new-family-friendlier than ever—packed with even more practical tips, realistic advice, and reliable, accessible information than before. Illustrations are new, too. Among the changes: Baby care fundamentals—crib and sleep safety, feeding, vitamin supplements—are revised to reflect the most recent guidelines. Breastfeeding gets more coverage, too, from getting started to keeping it going. Hot-button topics and trends are tackled; attachment parenting, sleep training, early potty learning (elimination communication), baby-led weaning, and green parenting (from cloth diapers to non-toxic furniture). An all-new chapter on buying for baby helps parents navigate through today’s dizzying gamut of baby products, nursery items, and gear. Also new: tips on preparing homemade baby food, the latest recommendations on starting solids, research on the impact of screen time (TVs, tablets, apps, computers), and “For Parents” boxes that focus on mom’s and dad’s needs. Throughout, topics are organized more intuitively than ever, for the best user experience possible.

One of the country’s leading researchers updates his revolutionary approach to solving—and preventing—your children’s sleep problems Here Dr. Marc Weissbluth, a distinguished pediatrician and father of four, offers his groundbreaking program to ensure the best sleep for your child. In Healthy Sleep Habits, Happy Child, he explains with authority and reassurance his step-by-step regime for instituting beneficial habits within the framework of your child’s natural sleep cycles. This valuable sourcebook contains brand new research that - Pinpoints the way daytime sleep differs from night sleep and why both are important to your child - Helps you cope with and stop the crybaby syndrome, nightmares, bedwetting, and more - Analyzes ways to get your baby to fall asleep according to his internal clock—naturally - Reveals the common mistakes parents make to get their children to sleep—including the inclination to rock and feed - Explores the different sleep cycle needs for different temperaments—from quiet babies to hyperactive toddlers - Emphasizes the significance of a nap schedule - Rest is vital to your child’s health growth and development. Healthy Sleep Habits, Happy Child outlines proven strategies that ensure good, healthy sleep for every age. Advises parents dealing with teenagers and their unique sleep problems “From the Trade Paperback edition.

Toca Boca app players or any boys and girls ages 6 to 9 will love this book, which features full-color interiors, reusable stickers and play scenes, plus a double-sided poster! Happy doodling!

In the heart of every woman is a longing to be deeply loved and treasured by another. While this is never fulfilled perfectly in our earthly relationships, believers are promised that heaven is a place of eternal joy with Jesus Himself, who has chosen his cherished Bride. In this ten-lesson study, women will grow to understand how human wedding traditions symbolize the ultimate marriage of Christ—the Bridegroom—and His beloved church. Through images of ancient wedding customs as women of the Bible would have celebrated them, the authors point out spiritual significance for today. Contemporary wedding stories further illustrate the promise of eternal life. As a woman prepares herself for the Bridegroom, she begins to discover an intimacy with Him greater than she ever imagined.

The Girlfriends' Guide to Pregnancy meets What to Expect When You're Expecting for today's professional black woman The Mocha Manual to a Fabulous Pregnancy is a straight-talking handbook to pregnancy with contributions by doctors and personal stories from black women and celebrity moms. Kimberly Seals-Allers offers candid advice on specific health concerns affecting black women such as high blood pressure, sickle cell disease, diabetes, and low birth weight, as well as information about how to get your finances in order, how to cope with embarrassing pigmentation and hair texture changes, single-parenting, maternity fashion, how to deal with demanding jobs and hormone-induced meltdowns. Hip, funny, and refreshingly frank, this book is a must-have for all mothers-to-be.

"A completely revised and updated second edition of one of the most popular and bestselling parenting books of all time, by America's favorite pediatrician, Dr. Harvey Karp. Harvey Karp, M.D. shares his groundbreaking approach to calming your new baby's crying and transforming your infant into the happiest baby on the block! His highly successful method is based on four revolutionary concepts: 1. Create the Fourth Trimester: How to re-create the womblike atmosphere your newborn baby still years for. 2. Find the Calming Reflex: An "off switch" all babies are born with, which quickly soothes fussing and crying. 3. Use the 5 S's: Five easy methods to turn on your baby's amazing calming reflex. 4. Apply the Cuddle Cure: How to combine the 5 S's to calm even colicky babies."...
