Beginning with the planning process and continuing to marketing, financing, and growth, it gives students the insights and practical skills they need to be successful entrepreneurs. This edition's structure aligns more logically with the venture's lifecycle, so the reader is equipped to develop a strong business model. The authors combine updated planning exercises, end-of-chapter consultation questions, and a sample business plan with new material, including: a new chapter on ideation, the Business Model Canvas, and lean start-up that covers the latest methodology in idea generation and opportunity recognition to provide a tool for developing a business concept; a new chapter on the various pathways for creating a new venture, including setting up an online venture as well as managing the day-to-day aspects of running a business; a revised chapter on start-up

creating new ventures while helping them avoid the common pitfalls that often lead to failure. Entrepreneurial exercises, case studies, step-by-step guidelines, and in-depth coverage of important financial topics such as managing cash flow, equity capital, and debt and investment capital are designed to help students build sustainable, lucrative ventures. Authored by successful serial entrepreneurs and award-winning researchers Michael Fountain and Tom Zimmerer, this new text provides a concise, practical guide for students seeking to develop high-growth ventures.

The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of
