differently than do men, industrialized societies cater to masculine perspectives. The "Psychology of Women" emerged as a field of study focusing on just those areas in which women most often butted against assumed roles. And similarly, in the 1990s, the "Psychology of Men" emerged to focus on the same issues for men. The Encyclopedia of Gender covers all three areas under one cover, discussing psychological differences in personality, cognition, and behavior, as well as biologically based differences and how those differences impact behavior. Coverage includes studies of these

To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.
