I found this book to better written than 'Rich Dad Poor Dad', perhaps because since then Kim and Robert have had more time at investing, and writing books of course. This book is titled to catch the interest of women, thats why I bought it for my wife but investing information has no bias or gender preferance.

It's time to find the Rich Woman in you... Let's face it. When it comes to money, men and women are different. While the how-to's of investing, how to buy and sell a stock, or how to find a profitable rental property, are the same, there are the unique issues that women face when it comes to money and investing. Here are some eye-opening statistics: - 47% of women over the age of 50 are single. - 50% of marriages end in divorce (The #1 thing couples fight about is money). - In the first year after a divorce, a woman's standard of living drops an average of 73%. - 90% of all women will be solely responsible for their financial well-being within their lifetime. What worked for our mothers and grandmothers is not working for most of us, and our daughters and granddaughters. So now is the time for women to get smarter with their money. Kim Kiyosaki's passion is to educate and encourage women to create the financial security and peace of mind they want and deserve in their lives. That's why she wrote Rich Woman. You'll love Rich Woman if you: - Never want to lose sleep over money again - Want to take control of your financial future - Are tired of looking for a rich Prince Charming - Demand true independence. I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

In *The Business of the 21st Century*, Robert Kiyosaki explains the revolutionary business of network marketing in the context of what makes any business a success in any economic situation. This book lends credibility to multilevel marketing business, and justifies why it is an ideal avenue through which to learn basic business and sales skills... and earn money.

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. *Think and Grow Rich for Women* is a powerful new book—from the award-winning author of *Think and Grow Rich: Three Feet from Gold* and coauthor of the multimillion-selling *Rich Dad, Poor Dad*. It combines Hill's classic *Thirteen Steps to Success* with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleeza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more), outlining a master plan for success for all women.

In this third edition of his bestselling book, Robert T. Kiyosaki updates his original eight "hidden values" of a network marketing business (other than making money. Special Bonus: additional "hidden values" from Kim Kiyosaki, author of Rich Woman and It's Rising Time! Robert explains that building a network marketing business... is a revolutionary way to achieve wealth ...makes it possible for anyone to acquire great wealth... is and avenue to financial freedom that is open to anyone who has drive, determination and perseverance.

When the generation known as 'Baby Boomers' begin to retire and cash in on their plans, there's a chance that this drain on reserves could cause a major devaluation in people's savings. This book offers a plan to help you prepare for the worst, offering alternative investments.

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly under the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In **INCREASE YOUR FINANCIAL IQ**, Kiyosaki provides real insights on these key steps to wealth: o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future. o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep." o How to budget
