By Jean Plaidy To Hold the Crown to Hold the Crown: The—

Henry married Elizabeth on January 18 th 1486. Therefore, he could argue that his crown did not owe anything to his marriage to Elizabeth. He was crowned in October 1485 and married some two-and-a-half months later. Fifth, Henry had to ensure that those in the York family remained loyal to him.

To Hold the Crown to Hold the Crown: The Story of King Henry VII and Elizabeth of York—

From exile and war to love and loss—every dynasty has a beginning. Henry Tudor was not born to the throne of England. Having come of age in a time of political turmoil and danger, the man who would become Henry VII spent fourteen years in exile in Brittany before returning triumphantly to the Dorset coast with a small army and decisively winning the Battle of Bosworth Field—ending the War of the Roses once and for all and launching the infamous Tudor dynasty. As Henry's claim to the throne was tenuous, his marriage to Elizabeth of York, daughter and direct heir of King Edward IV, not only served to unify the warring houses, it also helped Henry secure the throne for himself and for generations to come. And though their union was born from political necessity, it became a wonderful love story that led to seven children and twenty happy years together. Sweeping and dramatic, To Hold the Crown brings readers inside the genesis of the great Tudor empire: through Henry and Elizabeth's troubled ascensions to the throne, their marriage and rule, the heartbreak caused by the death of their son Arthur, and, ultimately, to the crowning of their younger son, King Henry VIII. "Plaidy excels at blending history with romance and drama." —New York Times

From bestselling author Plaidy comes the unforgettable story of the couple that launches the Tudor dynasty—Henry VII and Elizabeth of York—in this novel that brings readers inside the royal couple's marriage and rule, heartbreak, and ultimately the crowning of their son, King Henry VIII.

As Henry VIII's only child, the future seemed golden for Princess Mary. She was the daughter of Henry's first queen, Katharine of Aragon, and was heir presumptive to the throne of England. Red-haired like her father, she was also intelligent and deeply religious like her staunchly Catholic mother. But her father's ill-fated love for Anne Boleyn would shatter Mary's life forever. The father who had once adored her was now intent on having a male heir at all costs. He divorced her mother and, at the age of twelve, Mary was banished from her father's presence, stripped of her royal title, and replaced by his other children—first Elizabeth, then Edward. Worst of all, she never saw her beloved mother again; Katharine was exiled too, and died soon after. Lonely and miserable, Mary turned for comfort to the religion that had sustained her mother. In a stroke of fate, however, Henry's much-longed-for son died in his teens, leaving Mary the legitimate heir to the throne. It was, she felt, a sign from God—proof that England should return to the Catholic Church. Swayed by fanatical advisors and her own religious fervor, Mary made horrific examples of those who failed to embrace the Church, earning her the immortal nickname "Bloody Mary." She was married only once, to her Spanish cousin Philip II—a loveless and childless marriage that brought her to the edge of madness. With In the Shadow of the Crown, Jean Plaidy brings to life the dark story of a queen whose road to the throne was paved with sorrow.

If you like Philippa Gregory, you will love this vibrant and captivating historical page-turner from multi-million copy and international bestselling author Jean Plaidy - the perfect blend of history with romance and drama. 'Full - bloodied, dramatic, exciting' - THE OBSERVER Plaidy, by the skilful blending of superb storytelling and meticulous attention to authenticity of detail and depth of characterization has become one of the country's most widely read novelists.' - THE SUNDAY TIMES 'It is hard to better Jean Plaidy . . . both elegant and exciting' - DAILY MIRROR 'Excellent. Jean Plaidy really knows how to bring history to life.' - ***** Reader review 'Great, exciting. Couldn't put down' -r- ***** Reader review ***** In the aftermath of the bloody Wars of the Roses, Henry Tudor has seized the English crown, finally uniting the warring Houses of York and Lancaster through his marriage to Elizabeth of York. But whilst Henry VII rules wisely and justly, he is haunted by Elizabeth's missing brothers; the infamous two Princes, their fate in the Tower forever a shrouded secret. Then tragedy strikes at the heart of Henry's family, and it is against his own son that the king must fight for a bride and his throne... The Tudor Saga continues in Katharine, the Virgin Widow.

'An intriguing tale, told with confidence' The Times

An astonishing debut in historical fiction, hailed as “part The Da Vinci Code, part The Other Boleyn Girl,” (Woman’s Day), The Crown follows one nun’s dangerous quest to find an ancient relic during Cromwell’s reign of terror. Joanna Stafford, a Dominican nun, learns that her favorite cousin has been condemned by Henry VIII to be burned at the stake. Defying the rule of enclosure, Joanna leaves the priory to stand at her cousin’s side. Arrested for interfering with the king’s justice, Joanna, along with her father, is sent to the Tower of London. While Joanna is in the Tower, the ruthless Bishop of Winchester forces her to spy for him: to save her father’s life she must find an ancient relic—a crown so powerful, it may possess the ability to end the Reformation. With Cromwell’s troops threatening to shutter her priory, bright and bold Joanna must decide who she can trust so that she may save herself, her family, and her sacred way of life. This provocative story melds heart-stopping suspense with historical detail and brings to life the poignant dramas of women and men at a fascinating and critical moment in England’s past.

The nine Tudor novels by beloved novelist Jean Plaidy are now available as one complete series spanning sixteenth-century England. This exciting collection includes a brand-new character guide, along with reading group guides for seven books. Read all nine novels in order for the first time digitally and delve into the lives of this fascinating dynasty—full of intrigue, betrayal, marriages, and deaths, in a complete package, never before available. 1. To Hold the Crown In this sweeping tale of marriage and power, love and heartbreak, Henry VII and Elizabeth of York’s troubled ascension to the throne of England ultimately launches the Tudor dynasty. 2. Katharine of Aragon held her husband Henry VIII’s affection—but only for so long. 3. Murder Most Royal One powerful king, Two tragic queens. Sophisticated Anne Boleyn and innocent Catherine Howard meet with the all-consuming—and fickle—passions of tempestuous King Henry VIII. 4. The King’s Confidante The King’s servant, but God’s first. The English lawyer Sir Thomas More rises to become King Henry VIII’s most trusted advisor, but his refusal to recognize Henry as the supreme head of the Church of England ends his political career. . . . and leads to his trial for treason. 5. The Sixth Wife Dangerous court intrigue and affairs of the heart collide during the story of Katherine Parr, the last of Henry VIII’s six queens. 6. The Thistle and the Rose The story of Princess Margaret Tudor, whose life of tragedy, bloodshed, and scandal would rival even that of her younger brother, Henry VIII. 7. Mary, Queen of France The story of Princess Mary Tudor, a celebrated beauty and born rebel who would defy the most powerful king in Europe—her older brother. 8. For a Queen’s Love Power-hungry monarch, cold-blooded murderer, obsessive monster—who could love such a man? Set against the glittering courts of sixteenth-century Europe, the Spain of the dreaded Inquisition, and the tortured England of Bloody Mary, this is the story of Philip II of Spain—and of the women who loved him as a husband and father. 9. A Favorite of the Queen Torn between her heart’s passion and duty to her kingdom, Elizabeth I must make a decision that will shape her country and place her name in history forever.

From the pen of the legendary historical novelist Jean Plaidy comes the story of Princess Margaret Tudor, whose life of tragedy, bloodshed, and scandal would rival even that of her younger brother, Henry VIII. Princess Margaret Tudor is the greatest prize when her father, Henry VII, negotiates the Treaty of Perpetual Peace with neighboring Scotland. The betrothal is meant to end decades of bloody border wars, but it becomes a love match: To Margaret’s surprise, she finds joy in her marriage to the dashing James IV of Scotland, a man sixteen years her senior. But the marriage, and the peace it brings to both nations, does not last. When King James is struck down by the armies of Henry VIII, Margaret—Princess of England, but Queen of Scotland—finds herself torn between loyalty to the land and family of her birth and to that of her baby son, now King of the Scots. She decides to remain in Scotland and carve out her own destiny, surviving a scandalous second marriage and battling with both her son and her brother to the very end. Like all the Tudors, Margaret’s life would be one of turmoil and controversy, but through her descendants, England and Scotland would unite as one nation, under one rule, and find peace.

Legendary historical novelist Jean Plaidy brings to life the story of Princess Mary Tudor, a celebrated beauty and born rebel who would defy the most powerful king in Europe—her older brother. Princess Mary Rose is the youngest sister of Henry VIII, and one of the few people whom he adores unconditionally. Known throughout Europe for her charm and good looks, Mary is the golden child of the Tudor family and is granted her every wish. Except when it comes to marriage. Henry VIII, locked in a political showdown with France, decides to offer up his pampered baby sister to secure peace between the two mighty kingdoms. Innocent, teenage Mary must become the wife of the elderly King Louis, a toothless, ailing man in his sixties. Horrified and furious, Mary has no choice but to sail for France. There she hones her political skills, bides her time, and remains secretly in love with Charles Brandon, the Duke of Suffolk. When King Louis dies after only two years of marriage, Mary is determined not to be sold into another unhappy union. She must act quickly; if she wants to be with the man she truly loves, she must defy the laws of church and state by marrying without her brother’s permission. Together, Mary and Charles devise a scheme to outwit the most ruthless king in Europe and gain their hearts’ desire, not knowing if it will lead to marital bliss or certain death.

Adapted for the STARZ original series, The White Princess. Love to the Death. When Henry Tudor picks up the crown of England from the mud of Bosworth field, he knows he must marry the princess of the enemy house—Elizabeth of York—to unify a country divided by war for more than three decades. But his bride is still in love with his dead enemy, and her mother and half of England remain loyal to her brother, the missing York heir. Henry’s greatest fear is that somewhere a prince is waiting to reclaim the throne. When a young man who would be king invades England, Elizabeth has to choose between the new husband she is coming to love and the boy who claims to be her lost brother: the rose of York come home at last. “A bloody irresistible read.”—People “Bring on the blood, sex, and tears!...You name it, it’s all here.”—USA TODAY
